HAPPY BIRTHDAY  
Don't worry about getting older.  
The glass is still half full.

nevermind that your teeth  
are floating in it

Sometimes, I think if  
we died and went straight  
to hell, it would be a  
week before we realized  
we weren't at work  
anymore.

Take a day for yourself.  
happy Birthday

# Like a Fish

Co-edikit®

I like to have  
a glass of wine  
to relax  
after a long  
glass of wine.

I used to be a  
**Social Drinker**  
now my drinking is  
pretty much  
**Work Related**

Co-edikit®

I pretend to like people everyday.  
It's called being an adult.  
It's also why we are allowed to buy alcohol.

I don't understand  
interventions.  
What's the point  
of being told  
I drink too much  
by a room full of  
reasons I drink  
in the first place?

Coffee,  
You're on

Alcohol,  
Suit up.

Have you  
ever  
had  
too much  
wine?

Me neither.

We just started Wine Wednesdays  
at work!  
It's in the  
handicap stall  
in the bathroom.  
It's BYOB.  
And I'm the  
only one  
who knows about it.
